47	12-12.5	N/A	EU 48
48	13-13.5	N/A	EU 49
49	14	N/A	

Please note that Sidi boots are a narrow fit and we recommend going up a size from what you would normally wear. Sidi Size guide helps explain this by taking your normal boot size (Euro/US) on the left and scrolling across to the Sidi size (highlighted in red) to determine your Sidi size.

Please note these measurements are taken from the manufacturers sizing guidelines. Please take care when choosing your size, and measure yourself using the diagram shown on the left as a reference
